

North Ridgeville City Schools
 34620 Bainbridge Road
 North Ridgeville, OH 44039
 (440) 327-4444

Dear Parents and Guardians,

The North Ridgeville City Schools Endowment Funds is kicking off its 1st annual **10 FOR** campaign. Since 1990, the North Ridgeville City Schools Endowment Funds has been awarding scholarships to graduating seniors and providing funds that have enriched the educational experience of North Ridgeville students each year. The support and generosity of the community has sustained the Endowment Funds throughout the years and the interest income generated by investments will provide a resource for students and staff well into the 21st century. Our success is solely dependent upon your support of our fundraising efforts.

With the **10 FOR** campaign, every parent/guardian is encouraged to contribute **\$10 per student in their household.**

Proceeds raised from the **10 FOR** campaign will provide immediate grant funding across **all grade levels** for educational enrichment opportunities that are not covered by the state funded curriculum. With limited state funding, the Endowment Funds ability to offer educational enrichments is vital.

The NRCS Endowment Funds committee is a non-profit group of volunteers, that has served the schools for over 25 years. The NRCS Endowment Funds have awarded more than \$250,000 in grants to support and enrich educational programs for our students. Contributions from citizens, businesses, NRCS staff members and various annual fundraisers has made this possible.

Please join us in making an investment in your children's futures by sending **\$10 per school-age child or whatever suits your budget today.** Every Gift is used to benefit North Ridgeville Students. **Your donation may be tax deductible!**

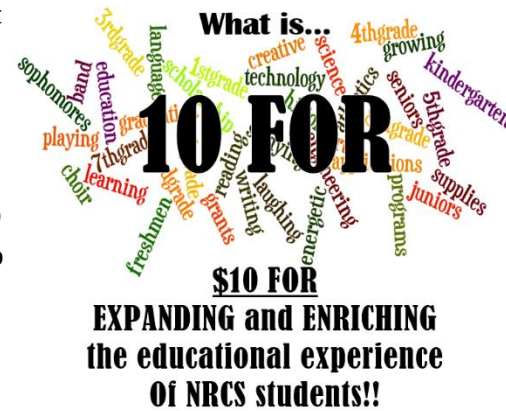

- Thank YOU for your support!

Please return bottom portion with your donation.

Committee Members

- President: Kevin Corcoran
- Vice-Pres: Daryl Edwards
- Secretary: Karen Edwards
- Dr. James Powell- *Ex Officio*
- Mike Verlingo- *Ex Officio*
- Jessica Darby
