

The North Ridgeville PTA Council would like to ask for your donation and support of our 5th Annual Staff Dodgeball Tournament on March 15, 2019. This event pits teams of school staff members against each other, not only for the game winning trophy, but for a “greatest fans” trophy as well.

As a valued local business your support will ensure a successful event for everyone – our students, families, and school staff.

As a result of your donation, we will be including your company name in our event brochure that will be handed out to everyone attending the event. We anticipate an attendance of over 1,900 community members. We hope that this will show our thanks for your support for our local schools.
